

COMMITMENT REQUIRED

WITH COMMITMENT ANYTHING IS POSSIBLE
WITHOUT COMMITMENT, FEW WILL SUCCEED

- Commitment 1) I commit to becoming a Mannatech associate (\$100.00 also covers your first BP auto order requirement) and a \$125.00 per (BP) auto order (Any product). (Remember \$100 per Business Period of this is tax deductible).
- Commitment 2) I commit to finding 3 other people who want their own business and who will make a firm commitment. (do not accept the wishy washy or those who say they can't afford it, they should not be attempting any kind of business).
- Commitment 3) I commit to monitoring my 3 people and offer encouragement. Make sure they follow through and monitor their 3 people. (this commitment is as important if not more important to the success of your business as any).

I agree to make a full commitment to this plan. I understand that my actions will effect many others so I am fully committed.
