Multi-Pure Corporation's Filtermania 2005

Terms and Conditions

Eligibility - One Filtermania per household.

Distributor Discounts - There are no distributor discounts available on the Filtermania promotion.

Product Description - Customers pre-purchase 10 replacement filters for the model of drinking water system desired. Multi-Pure will send to the customer:

- **One Multi-Pure Drinking Water System**
(the replacement filter in this system is considered one of the ten pre-paid replacement filters)
- **9 Filtermania replacement filter coupons**

Customer should specify model of unit (MP750SC, MP750SSCT, MP750SB, MP880SC, MP880SB)

Sales Tax and Shipping and Handling - Please add the customer's local sales tax to the order. For Shipping and Handling fees, see chart below.

Filter Shipment* - Your customer will receive one filter inside their FREE drinking water system. Plus they will receive nine (9) pre-paid Filtermania Replacement Filter Coupons. No additional payment will be required for the filters; however shipping and handling must be included with the order (see chart below). The shipping and handling fee for the filters is guaranteed, and will be printed on the coupon. Replacement Filter Coupons may be redeemed at four month intervals or longer.

Commission: There is no distributor discount available on this Filtermania Package. Distributors earn commission based on the \$499.50 or \$399.50 price.

Filtermania 2005

**For the special price of \$499.50*
(\$49.95 x 10 filters) you will receive:**

MP750 (with one filter)	\$379.95
9 replacement filter coupons	\$449.55
Total Value	\$829.50
Your Cost	\$499.50
Your Savings	\$330.00

Installment Payment Purchases - The Filtermania Promotion can be financed on our 0% Installment Payment Purchase program. See chart below for down-payment information. The drinking water system (with one filter included) will be shipped to the customer upon receipt of the downpayment. The coupons for the nine filters will be shipped to your customer upon receipt of the final payment. Please use the Installment Purchase Order form to process this order.

*MP880 Series cost is \$999.95 (\$99.95 x 10 filters)

Additional Costs/Fees: If your customer chooses the Model MP1200EL (which includes a capacity meter), they must include an additional \$80 for the capacity meter and related accessories for a total cost of \$579.50 (MP880EL cost is \$1,079.50) plus tax, and shipping and handling. Designer faucets, CODs, and other misc parts desired, must be added to the Filtermania price.

Type of Filtermania System	Cost (plus local sales tax)	S/H	Downpayment	S/H (Replacement Filters)*
MP750 Series	\$499.50 (\$49.95 x 10 filters)	\$6.70	\$100.00	\$5.75
MP880 Series	\$999.50 (\$99.50 x 10 filters)	\$8.00	\$160.00	\$6.10
